Mr. COSTELLO. Mr. Speaker, I rise today to ask my colleagues to join me in recognizing the retirement of the Reverend Robert Souders of St. Matthew United Methodist Church in Belleville, Illinois.

Reverend Robert Souders, Senior Pastor, came to serve the congregation of St. Matthew United Methodist Church in Belleville, Illinois in August, 1965, completing almost 37 years at his retirement in June of 2002. Reverend Souders began his 46 years of service as a pastor of Zion, Marlow and Liberty Methodist Churches (1955–1956); Browns Chapel and McHenry United Methodist Churches (1956–1958); Ransom and Blackstone (1958–1961); Steepleville and Percy (1961–1965); and then St. Matthew United Methodist Church. Reverend Souders is a graduate of McKendree College and received his seminary degree from Garrett-Evangelical Theological Seminar. He was ordained as an Elder in the United Methodist Church in 1961.

St. Matthew UMC has grown physically and spiritually under the leadership of Reverend Souders. For many years the church has had one of the finest youth ministries in the area. The bus and senior citizen's ministry has been exemplary and many churches have sought ideas and information from Reverend Souders to enhance their own programs. The music ministry continues to be one of the most well known in southern Illinois. Since his actual coming, many souls have been won. He began in 1965 with 99 members with the represent church exceeding 1300 members. Reverend Souders has been a leaders in the evangelism work of the United Methodist Church and in June 1990, was a recipient of the prestigious "Harry Denman Evangelism Award".

The New Life Club began in 1972 as an outreach to senior adults in the area. They have traveled many miles from Southern Illinois to Canada, Nova Scotia and Europe. The St. Matthew Day Care was formally established on August 27, 1972 and continues to provide a needed ministry in the community to provide a place of safety where children are cared for and grow in body, mind and spirit. A Thrift Shop was established in 1976 and continues to serve the needs of many through the generous donations of the congregation. In October 1978 and in March 1979, two apartment complexes, each with 17 units, were opened for senior citizens.

The Mission Society for the United Methodist Church was established in 1984 with Reverend Souders as one of the organizers. Over 125 fully funded missionaries now serve on the mission field in various parts of the world.

Reverend Souders has served on the Belleville Memorial Hospital Board of Directors since December 20, 1983. During this time, he also served on the following committees; Buildings and Grounds, Hospital Human Resources, Planning and Convalescent Home Care.

Reverend Souders and his wife, Beverly will be married 47 years on December 17, 2002. They have three children; Michelle, Gregory and Shauna. TANF REAUTHORIZATION 2002

HON. PETER A. DeFAZIO

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 12, 2002

Mr. DeFAZIO. Mr. Speaker, well before the Republican majority forced passage of the 1996 "Personal Responsibility and Work Opportunity Reconciliation Act" (PRWORA)—the so-called welfare reform package—Oregon pioneered several welfare and poverty alleviation initiatives and landmark education and training programs. The 1996 welfare bill allowed states, like Oregon, a waiver to continue their successful social assistance programs with minimal federal interference.

Oregon was able to offer such programs as the JOBS welfare-to-work program and the JOBS Plus program that assists in job placements in fields with opportunities for real career advancement and makes an impact not just in the caseloads, but in poverty alleviation. Oregon was also one of the first states to include innovations like incentives for employers to train and hire welfare recipients.

There are a number of proposed changes to the Temporary Assistance to Need Families (TANF) reauthorization that will end up costing Oregon more and reduce its flexibility in delivering innovative, individualized programs.

Under current law, adults have two years to find a job before losing their welfare benefits. One of the most important factors in finding a stable job at a living wage is education. That's why I've advocated that any reforms allow recipients to enroll in two-year college or four-year university programs, job training or professional development programs, or rehabilitation programs for mental health, substance abuse, or domestic violence, without hurting their eligibility for benefits. Over 50 percent of the poor in Oregon have, for one reason or another, not completed high school. Over 35 percent of the poor in Oregon have only an eighth-grade education or less. According to the Bureau of Labor Statistics, of the 30 fastest growing, well-compensated occupations, only five can be accomplished with short-term training.

With Oregon suffering from the highest unemployment rate in the nation at nearly 8 percent, and many Oregon counties at double-digit unemployment, education becomes even more important during these tough economic times to ensure living wage jobs. The facts are shocking. A single mom with two children will
